CBASC Inc. Youth Development Fund

What is CBASC Inc. Youth Development Fund?

The CBASC Inc. Youth Development Fund was created by the club specifically for the purpose of having funds available to encourage and assist swimmers to attend the South Australian Country Championship Swimming Competitions, South Australia LC State Championships and South Australia SC State Championships held once a year at different venues throughout the state and Broken Hill.

Where will the funds come from?

Funding is allocated from interest earned on savings held by the club and will be set aside in Reckon program at the end of each financial year for the following season. This is to be organised by the Treasurer of the club in the off season at the end of financial year and the amount advised at our first meeting of the season.

Who is eligible to apply for the funds?

All swimmers who are eligible to enter into the South Australian Country Championships, South Australia LC State Championships and South Australia SC State Championships are eligible to apply for these funds.

- Swimmers can apply for a 50% subsidy of entry fees for Country Championships who meet the standard times
- Swimmers can apply for a 75% subsidy of entry fees for State Championships who meet the State Qualified times.
- If more swimmers apply for funds than what is available, the committee will decide what each swimmer will receive.
- Funding will only be remitted for events completed.

How to apply for funds?

All swimmers who meet the eligibility criteria and wish to apply for funding must complete the application form and return with receipt of entries to the club secretary up to one month after the event.

How does the club approve applications for funding?

Approval will be voted upon at a meeting held by the committee. Multiple applications may be received each year. Members with voting rights who have submitted an application for either themselves or a family member are asked to refrain from the vote. Consideration will be given during the voting process on length of time within and commitment shown to the CBASC Inc. The committee will vote on any number of applications being approved or denied and all decisions are final.
